The Foundation of Musical Excellence

The Music Ministry Studios

Music Ministry Studios is an extension of the Music Ministry of Riverland Hills Baptist church. It is a ministry, open to everyone in our community, by which individuals can come to the church and study music in a private lesson with highly qualified Christian instructors.

Our Christian-based approach does not mean that all music practiced or performed must have a religious theme. However, we employ instructors with a desire to serve God through their music and to help teach our students to develop and use their talents to glorify Him.

There is a strong tradition of musical excellence in the Music Ministry at Riverland Hills and we aim to be an example of musical excellence to our community. All instructors have attained at least a bachelor's degree. Materials, methods, and facilities are of the highest quality available. Music Ministry Studios supports the important role of music in our church. This ministry is training future music leaders for our church and for all kinds of churches, schools, and communities worldwide. Many qualified students have developed and become part of the musical ensembles in our church and served as music leaders in our worship.

Mission Statement

To offer our church and community quality music training and education in a positive, Christian environment. To instill in all of our students a lifelong appreciation of and participation in music.

Tuition

Tuition is to be paid in full on or before the first scheduled lesson of each 12 week term and should be paid by check to Riverland Hills Baptist Church. Payment should be given to the teacher at the first lesson and any charges for materials will be made and collected by the teacher separate from the tuition fee payment.

Fees

Tuition per 12 week term	
30 minute lesson per week	\$264
45 minute lesson per week	\$396
60 minute lesson per week	\$528

Scheduling

Individual lessons are scheduled with the assigned teacher and student at a mutually agreeable time. Attendance at every lesson is extremely important and only reported absences due to illness will be rescheduled. Only one make-up lesson per term will be granted and scheduled at the teacher's discretion. Absences are to be reported to the teacher 24 hours in advance if possible and if a teacher cannot be reached you should notify Cindy Burn, Music Ministry Studio Director at 772-3227.

Registration Fee

An annual non-refundable registration fee of \$25.00 per student is required and must accompany the registration form.

Parent and Student Responsibility

Enrollment will be limited based on availability of teachers and studio space and will be granted based on the date of registration. As lessons will be scheduled consecutively, there will be no extensions of time due to late arrivals. Please be prompt and students should come prepared for their lesson, bringing with them any literature and supplies they may need.

Policies and Procedures

Private lessons will be offered weekly in 30, 45 and 60-minute blocks of time. The 45 and 60 minute lessons are generally reserved for more advanced students and instruction for all lessons is adapted to the development and progress of the individual student. In addition, a one-hour musicianship class will be offered in Terms I and II and will provide an excellent forum to widen the student's knowledge of repertoire and increase the practice of performance. Recitals are held at the end of Term III.
